THE ROAD TO COLLEGE FALL 2011 Educational Seminar Series

Today's competitive landscape, as well as the current economic environment, has made college admissions even more challenging. Navigating the process efficiently and avoiding the "big" mistakes can be the reason your student reaches their college destination successfully.

Join us for these uniquely comprehensive sessions covering angles many "experts" fail to examine and present to college-bound families. We know if you take advantage of these opportunities you will be confident that you will maximize the emotional and financial investment you have already made in your child's future.

Call us to reserve your seat at these workshops.

Space is limited and reservations are made on a first come, first served basis.
